

## Business Networking League

### Purpose:

Quit-Qui-Oc Golf Club would like to create an environment for you to meet and socialize with other business professionals on the golf course. This networking league will allow you a chance to develop a quality relationship with other business professionals.

### League Format:

1. Each individual league member will be paired with a different league member each week, forming a team for that week.
2. Your "team" will be paired and play another "team" each week. Weekly prizes will be awarded. In addition, your weekly points will go toward year end prizes.
3. League play begins Wednesday, May 18th and runs through September 21st. **Matches are played every other week.**
4. All league members will pay up front for the whole season. The fee is \$160, which covers green fees and registration fee. *Cart fees are additional.*
5. This league is a business networking enterprise. Your attendance creates the value of the league, so if anyone cannot attend, you should find a substitute or contact us the day before the scheduled league night.
6. If you miss an outing and cannot provide a substitute, you will be provided a Free 9 Hole Pass as compensation.
7. Tee times will be from 5:00pm-5:30pm rotating between the front and back nines.
8. The league will not form without a minimum of 16 players.
